

Treasuring Childhood

FILM & LECTURE SERIES
2015-2016

Presented by Tucson Waldorf School

"America, this is your wake-up call.
With both heart and smarts,
Vicki Abeles showcases
the courageous communities
that are rejecting the
childhood rat race and
reclaiming health and learning.
Our kids really need us to listen."

—Maria Shriver

Beyond Measure:

*Documentary film screening in partnership with
The University of Arizona College of Education.
Follow up film to **Race to Nowhere**.*

Beyond Measure asks, "What if we decided that the higher aim of school was not the transmission of facts or formulas, but the transformation of every student?" Rather than ask why our students fail to measure up, this film asks us to reconsider the greater purpose of education. What if our education system valued personal growth over test scores?
